

A guide to your Everyday Sofa

Life is better together.
Please assemble with
two people.

What comes with your 2.5 seater

High Arm

You should have 4 boxes in total.

High arm / corner seat box - 2 boxes

2x High arm / corner seats

High arm and back box - 2 boxes

4x Backs

2x Scatter cushions

Let's assemble the high arm sections

1.

Turn seat up onto its side.

2.

Align brackets between the high arm and seat and slide arm into place.

We recommend having one person slide the high arm piece on and the other holding the seat in place.

3.

Rotate 90 degrees and flip onto its side.

Brackets should be facing the ceiling.

4.

Align brackets between the high arm and seat and slide arm into place.

We recommend having one person slide the high arm piece on and the other holding the seat in place.

5.

This module is now assembled!
Flip upright and set aside.

To assemble the right side, repeat
steps 1-5

6.

Rotate the brackets out.

Choose where you would like
your Everyday Sofa to live and
then connect the modules
together.

7.

Align connectors and push modules together.

These will click together and lock the pieces.

8.

Add your scatter cushions and enjoy!
