First, let's assemble the high arm sections.

Decide which side you'd like to have your ottoman on.

First, let's assemble the high arm sections.

1.

Turn seat up onto its side.

2.

Align brackets between the high arm and seat and slide arm into place.

We recommend having one person slide the high arm piece on and the other holding the seat in place.

3.

Rotate 90 degrees and flip onto its side.

Brackets should be facing the ceiling.

4.

Align brackets between the high arm and seat and slide arm into place.

We recommend having one person slide the high arm piece on and the other holding the seat in place.

5.

This module is now assembled!

6.

Rotate the brackets out.

Now let's assemble the middle section.

7.

Turn seat up onto its side.

8.

Align brackets between the back and seat and slide back into place.

We recommend having one person slide the arm piece on and the other holding the seat in place.

9.

Rotate 90 degrees to your left and rotate the brackets out.

10.

This module is now assembled!
Flip upright and set aside.

Unpack your ottoman.

Choose where you would like
your Everyday Sofa to live and
then it's time to connect the
modules together.

11.

Align connectors and push modules together.

These will click together and lock the pieces.

12.

Add your scatter cushions and enjoy!
